Further, Mr. Johnson’s presentation will be available for viewing via online webcast at www.RedChip.com.

About the Companies:

Dot VN, Inc. (www.DotVN.com) provides Internet and Telecommunication services for Vietnam. Vietnam Internet Network Information Center (VNNIC) awarded the Company an “exclusive long term contract” to be the first registrar to market and register its country code Top Level Domain (ccTLD) of .VN (Vietnam) via the Internet. Dot VN has established agreements with international ISP’s (Internet service providers) along with over 70 top domain resellers to commercialize .VN. Also, the Company offers Internet Data Center services and Wireless applications.

RedChip Companies, Inc. (www.RedChip.com) provides small-cap companies access to both professional and individual small-cap investors by holding conferences throughout the United States, producing online corporate visibility programs, and writing company-sponsored research.

Cautionary Warning Regarding Forward-Looking Statements:

This press release may contain "forward-looking statements." In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "could," "expects," "plans," "intends," "anticipates," "believes," "estimates," "predicts," "potential" or "continue" or the negative of such terms and other comparable terminology. These forward-looking statements include, without limitation, statements about our market opportunity, our strategies, competition, expected activities and expenditures as we pursue our business plan, and the adequacy of our available cash resources. Although we believe that the expectations reflected in any forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Actual results may differ materially from the predictions discussed in these forward-looking statements and the statements contained herein reflect the Company's views as of April 16, 2007. Changes in the circumstances upon which we base our predictions and/or forward-looking statements could materially affect our actual results. Additional factors that could materially affect these forward-looking statements and/or predictions include, among other things: (1) our limited operating history; (2) our ability to pay down existing debt; (3) our ability to attract and retain key executive officers and the professional advisors necessary to guide us through our corporate restructuring; (4) unforeseen costs and expenses; (5) potential litigation with our shareholders, creditors and/or former or current investors; (6) the Company's ability to comply with federal, state and local government regulations; (7) the Company's ability to maintain current agreements with the Country of Vietnam and secure additional agreements; and (8) other factors over which we have little or no control.
