The CNN video documentary of “Vietnam’s Past and Present” provided a brief synopsis of the country’s changing outlook in the 30 years since the end of the Vietnam War, and illustrated the rapidly emerging business forward attitude of many of its citizens, including politicians, former soldiers, and especially young entrepreneurs.

During Ms. Ung’s segment of the program, Dot VN’s Hanoi office and operations were shown along with a listing of some of the Company’s more prominent clients. Ms. Ung discussed her personal ideologies and that people in Vietnam are excited about the new growth within the country, and noted that individuals are contributing to the economic expansion by doing their parts.

The interview was conducted by Dan Rivers of CNN Asia and took place during the APEC (Asian Pacific Economic Cooperation) Summit held in Hanoi, Vietnam on November 18-19, 2006. Below is the link to the CNN video segment:
