Dot VN, Inc.  
9449 Balboa Ave, Suite 114  
San Diego, CA 92123 U.S.A.

San Diego, California – November 2, 2007

**Dot VN, Inc. Appoints Mike Weller Chief Information Officer, EVP**

SAN DIEGO, CALIFORNIA – November 2, 2007, Dot VN, Inc., a Delaware corporation (“Dot VN” or the “Company”) ([www.DotVN.com](http://www.DotVN.com)), (NQB Pink Sheets: DTVI), an Internet and Telecommunications Company and the official global domain name registrar ([www.VN](http://www.VN)) for the Country of Vietnam, announced that the Company has engaged Mike Weller as the Company’s Chief Information Officer and Executive Vice President of Internet Data Center Management. Mr. Weller, with an extensive background in directing global operations and information technology organizations, will be responsible for overseeing all aspects relating to the design, construction and operation of Vietnam’s Internet Data Centers (“IDC”). He will be working closely with our technology partner, Cerelink, Inc. (“Cerelink”), and other strategic collaborators, such as Intel, Inc. (“Intel”), and Global Infrastructure, LLC (“Global”). Further, Mr. Weller will work with the Company in setting up supporting technology and facility infrastructure, global networks, information security and software development.

Prior to joining the Company, Mr. Weller was a Senior Vice President, Technology for Citigroup, based out of New York, and before that was with Edward Jones Investments, Bunzl USA and IBM Global Services, based out of St. Louis, Missouri. Mr. Weller is also the President and co-owner of Global Infrastructure, LLC, one of Dot VN’s strategic partners.

In addition, Mr. Weller is currently a two-term elected official serving as a City Councilman for the City of St. Charles, Missouri.

“There are vast opportunities and challenges that face the country of Vietnam and Dot VN. I’m personally looking forward to laying the groundwork and building the foundation for delivering these new technologies and changing the way in which people communicate and governments and businesses interact” stated Michael Weller, CIO of Dot VN.

Thomas M. Johnson, Chairman and CEO of Dot VN, expressed that the addition of Mr. Weller as an extremely important executive in solidifying the Dot VN management team. “We are very excited that Mr. Weller has joined our Company. Mike brings along a very strong background in operations and management of large scale global Data Centers. He will be instrumental in assisting the Company in hiring engineers and technicians to build out the IDC’s throughout Vietnam and possibly other Southeast Asian countries. Furthermore, his extensive contacts, experience, and working relationships with various technology companies will assist us in negotiating the acquisition of hardware and software to power our world-class Data Centers.”

**About the Companies:**

Dot VN, Inc. ([www.DotVN.com](http://www.DotVN.com)) provides Internet and Telecommunication services for Vietnam. Vietnam Internet Network Information Center (VNNIC) awarded the Company an “exclusive long term contract” to be the first registrar to market and register its country code Top Level Domain (ccTLD) of .VN (Vietnam) via the Internet. Dot VN has established agreements with international ISP’s (Internet service providers)

along with over 73 top domain resellers to commercialize .VN. Also, the Company intends to offer Internet Data Center services and Wireless applications.

**Cautionary Warning Regarding Forward-Looking Statements:**

This press release may contain "forward-looking statements." In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "could," "expects," "plans," "intends," "anticipates," "believes," "estimates," "predicts," "potential" or "continue" or the negative of such terms and other comparable terminology. These forward-looking statements include, without limitation, statements about our market opportunity, our strategies, competition, expected activities and expenditures as we pursue our business plan, and the adequacy of our available cash resources. Although we believe that the expectations reflected in any forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Actual results may differ materially from the predictions discussed in these forward-looking statements and the statements contained herein reflect the Company's views as of November 2, 2007. Changes in the circumstances upon which we base our predictions and/or forward-looking statements could materially affect our actual results. Additional factors that could materially affect these forward-looking statements and/or predictions include, among other things: (1) our limited operating history; (2) our ability to pay down existing debt; (3) our ability to attract and retain key executive officers and the professional advisors necessary to guide us through our corporate restructuring; (4) unforeseen costs and expenses; (5) potential litigation with our shareholders, creditors and/or former or current investors; (6) the Company's ability to comply with federal, state and local government regulations; (7) the Company's ability to maintain current agreements with the Country of Vietnam and secure additional agreements; and (8) other factors over which we have little or no control.
