Dot VN, Inc. Appoints Louis P. Huynh General Counsel

SAN DIEGO, CALIFORNIA – October 11, 2006, Dot VN, Inc., a Delaware corporation (“Dot VN” or the “Company”) (www.DotVN.com), (NQB Pink Sheets: DTVI), an Internet and Telecommunications Company and the official global domain name registrar (www.VN) for the Country of Vietnam, announced today the Company has engaged Louis P. Huynh, as the Company’s General Counsel. Mr. Huynh, who has a strong background in corporate governance and securities law, will be responsible for all legal matters, including developing policies and procedures to ensure the integrity of Dot VN's business practices. Further, Mr. Huynh will work with the Company towards the completion and filing of a registration statement.

Prior to joining the Company, Mr. Huynh was an attorney practicing law with The Otto Law Group, PLLC, where he focused his practice on corporate finance, corporate governance, mergers & acquisitions and corporate litigation. Prior to entering private practice, Mr. Huynh served as legal counsel to Viet Wah Trading, Inc. (“VWT”), where he provided legal advice to and representation to several major Vietnamese manufacturers, consulted with foreign clients to ensure compliance with regulations of the United States Food and Drug Administration and advised VWT’s Chief Executive Officer regarding leasing contracts, COBRA compliance and banking.

Mr. Huynh is also a member of the Board for the Asian Counseling and Referral Service (ACRS), a nationally recognized non-profit organization offering a broad array of human services and behavioral health programs to Asian Pacific Americans in King County. ACRS is the largest multi-service organization serving all the different Asian Pacific American communities - immigrants, refugees and American born - in the Pacific Northwest. Mr. Huynh is admitted to practice law in New York, graduated with distinction from the University of Washington with a Bachelor of Arts in Political Science and received his J.D. from the University of Virginia School of Law.

“Dot VN is a company at the forefront of Vietnam’s technological development. It is a pleasure to be part of such a dynamic company and I look forward to bringing my skills and resources to assist Dot VN with its continuing growth and success,” stated Louis P. Huynh.

Thomas M. Johnson, Chairman and CEO of Dot VN, views the addition of Mr. Huynh as an important addition to the Dot VN team. “We are extremely excited to welcome Mr. Huynh to our Company. Louis brings along a very strong background in corporate finance and M&A, and will be instrumental in assisting the company with the filing of a registration statement. Furthermore, Mr. Huynh has extensive contacts and experience working in Vietnam and communicates in Vietnamese fluently, which will assist us in strengthening our relationships and agreements with both the Vietnamese Government and Vietnam based corporations as well as exploring new and exciting opportunities.”

About the Company:

Dot VN, Inc. (www.DotVN.com) is the exclusive online service provider of .VN (Vietnam) domain name registrations globally. The Company has established agreements with the Vietnamese government and international ISP's (Internet service providers) such as VNPT, Netsoft, VDC, FPT, along with Verisign, MarkMonitor.com, NetNames.com, Ascio.com, MelbourneIT, RGNames.com, EBrandSecure and over 60 top domain resellers to commercialize Vietnam's Internet and Telecommunications services. Dot VN, Inc. has strived to deliver high value online communication and commerce solutions along with outstanding customer service both domestically and internationally with a focus on Vietnam. The Vietnam Internet Network Information Center (VNNIC) awarded Dot VN, Inc. an "exclusive long term contract" to be the first registrar to promote, market and register its country code Top Level Domain (ccTLD) of .VN (Vietnam) via the Internet. Dot VN, Inc. is developing an Internet based distribution network through which the Company delivers business applications and services and digital software content to a network of more than 60 Service Providers in over 30 countries. The Company is developing the latest Internet domain registration software technologies for marketing, sales and managing the .VN domain name registration, website design and hosting, email systems, e-commerce and e-marketing, Vietnamese Search Engine for .VN and VOIP telecommunications for Vietnam and other customers worldwide.

Cautionary Warning Regarding Forward-Looking Statements

This press release may contain "forward-looking statements." In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "could," "expects," "plans," "intends," "anticipates," "believes," "estimates," "predicts," "potential" or "continue" or the negative of such terms and other comparable terminology. These forward-looking statements include, without limitation, statements about our market opportunity, our strategies, competition, expected activities and expenditures as we pursue our business plan, and the adequacy of our available cash resources. Although we believe that the expectations reflected in any forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Actual results may differ materially from the predictions discussed in these forward-looking statements and the statements contained herein reflect the Company's views as of October 9, 2006. Changes in the circumstances upon which we base our predictions and/or forward-looking statements could materially affect our actual results. Additional factors that could materially affect these forward-looking statements and/or predictions include, among other things: (1) our limited operating history; (2) our ability to pay down existing debt; (3) our ability to attract and retain key executive officers and the professional advisors necessary to guide us through our corporate restructuring; (4) unforeseen costs and expenses; (5) potential litigation with our shareholders, creditors and/or former or current investors; (6) the Company's ability to comply with federal, state and local government regulations; (7) the Company's ability to maintain current agreements with the Country of Vietnam and secure additional agreements; and (8) other factors over which we have little or no control.
