Dot VN, Inc. to Present at the Red Chip Small-Cap Investor Conference

SAN DIEGO, CALIFORNIA – October 26, 2006, Dot VN, Inc., a Delaware corporation (“Dot VN” or the “Company”) (www.DotVN.com), (NQB Pink Sheets: DTVI), an Internet and Telecommunications Company and the authorized global domain name registrar (www.VN) for the Country of Vietnam, announced today that the Company will participate in the Red Chip Small-Cap Conference in Santa Monica, California. The Red Chip Conference, organized by RedChip Companies, a research firm specializing in emerging growth companies, will provide private investors, fund managers, stockbrokers, and analysts with the opportunity to meet the Chief Executive Officers of thirty (30) Chinese and Vietnamese American companies presenting at the Conference.

Dot VN’s Chairman and CEO, Thomas Johnson will provide an overview of the Company and describe Dot VN’s progress in the marketplace on Thursday, November 1, 2006 from 10:30 a.m. to 11:00 a.m. (PST). Further, Mr. Johnson’s presentation will be available for viewing via online webcast at www.redchip.com.

The Red Chip Conference will feature over thirty companies, representing various sectors, including, technology, commodities, consumer goods, defense, finance, healthcare and industrial.

“We are looking forward to attending the Red Chip Conference,” said Mr. Johnson, Chairman and CEO for DotVN. “The market for Dot VN’s products and services continue to grow on a global basis, and the Red Chip Conference will provide us with the opportunity to interact with globally diverse companies and meet key business leaders that will provide insight on global trends and business opportunities both in Vietnam and world wide.”

About the Company:

Dot VN, Inc. (www.DotVN.com) is the exclusive online service provider of .VN (Vietnam) domain name registrations globally. The Company has established agreements with the Vietnamese government and international ISP's (Internet service providers) such as VNPT, Netsoft, VDC, FPT, along with Verisign, MarkMonitor.com, NetNames.com, Ascio.com, MelbourneIT.com, RGNAMES.com, EbrandSecure.com, IPMirror.com and over 70 top domain resellers to commercialize Vietnam's Internet and

Telecommunications services. Dot VN, Inc. has strived to deliver high value online communication and commerce solutions along with outstanding customer service both domestically and internationally with a focus on Vietnam. The Vietnam Internet Network Information Center (VNNIC) awarded Dot VN, Inc. an "exclusive long term contract" to be the first registrar to promote, market and register its country code Top Level Domain (ccTLD) of .VN (Vietnam) via the Internet. Dot VN, Inc. is developing an Internet based distribution network through which the Company delivers business applications and services and digital software content to a network of more than 70 Service Providers in over 30 countries. The Company is developing the latest Internet domain registration software technologies for marketing, sales and managing the .VN domain name registration, website design and hosting, email systems, e-commerce and e-marketing, Vietnamese Search Engine for .VN and VOIP telecommunications for Vietnam and other customers worldwide.

Cautionary Warning Regarding Forward-Looking Statements:

This press release may contain "forward-looking statements." In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "could," "expects," "plans," "intends," "anticipates," "believes," "estimates," "predicts," "potential" or "continue" or the negative of such terms and other comparable terminology. These forward-looking statements include, without limitation, statements about our market opportunity, our strategies, competition, expected activities and expenditures as we pursue our business plan, and the adequacy of our available cash resources. Although we believe that the expectations reflected in any forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Actual results may differ materially from the predictions discussed in these forward-looking statements and the statements contained herein reflect the Company's views as of October 26, 2006. Changes in the circumstances upon which we base our predictions and/or forward-looking statements could materially affect our actual results. Additional factors that could materially affect these forward-looking statements and/or predictions include, among other things: (1) our limited operating history; (2) our ability to pay down existing debt; (3) our ability to attract and retain key executive officers and the professional advisors necessary to guide us through our corporate restructuring; (4) unforeseen costs and expenses; (5) potential litigation with our shareholders, creditors and/or former or current investors; (6) the Company's ability to comply with federal, state and local government regulations; (7) the Company's ability to maintain current agreements with the Country of Vietnam and secure additional agreements; and (8) other factors over which we have little or no control.
