

Dot VN, Inc. Signs Strategic Partnership Agreement with SaoBacDau Technologies Group to Provide System Integration Services

SAN DIEGO – October 28, 2009 – Dot VN, Inc. (www.DotVN.com) (OTCBB: DTVI), an innovative Internet and Telecommunications Company and the exclusive online global domain name registrar for the Country of Vietnam, announced that it has signed a strategic partnership agreement with SaoBacDau Technologies Group (SBD), a highly recognized Vietnamese industry leader in system integration services.

In the agreement, SBD will become a value-added reseller of Dot VN products, providing IT and telecom integration services for E-Band virtual fiber (wireless) technology and EMS stationary and mobile data center units, both of which Dot VN is the exclusive provider/distributor for the country of Vietnam and a provider for Southeast Asia. SBD will provide installation, maintenance and technical support for firms and organizations that are implementing these hardware solutions.

“SBD has built and managed many high-profile projects within Vietnam and is an established entity in the IT industry there with a reputation of integrity and a firm grasp on the cutting edge of technology,” said Thomas Johnson, CEO of Dot VN, Inc. “With our newly established relationship with SBD, we are widening our ability to offer new technologies, including E-Band virtual fiber and EMS data center solutions, to governments, education systems, healthcare organizations, businesses and more throughout Southeast Asia.”

SBD (www.SaoBacDau.vn), based in Ho Chi Minh City, Vietnam, is a top IT integrator and a strategic partner of the world’s leading IT firms, including Cisco, Microsoft, IBM, APC, Polycom, HP and Oracle. SBD won the Vietnam Gold Star Award 2009 and Top 200 Best Brands of Vietnam by Vietnam Young Entrepreneurs Organization.

Vietnam is the second fastest growing economy in the world, with a population of over 86 million people and a literacy rate over 90 percent. The U.S.-based International Data Group (IDG) forecasts that the Vietnamese IT market’s spending will reach nearly U.S. \$2.2 billion this year and over \$3.5 billion in 2013 to become the IT market with the highest growth rate in Southeast Asia.
